

Apex Arts Council
Visual Arts Display Agreement

The Apex Arts Council has agreed to display work by _____ as a service to the artist and the community. The above named artist agrees that this work is displayed at no risk to the Apex Arts Council and/or the location at which it is being displayed. Apex Arts Council agrees to hang or display all art in a manner in which it will be safe from harm but makes it clear to all artists that they can in no way guarantee against accidental or intended damage from the public.

The Apex Arts Council will provide the public with contact information along with all work on display so that the public may gain contact with the artist.

The Apex Arts Council will make all decisions regarding locations that artwork is hung, length of time in which it is displayed and in what way it is hung. The Apex Arts Council also reserves the right to refuse any artwork based on subject matter, quality, or feasibility per location. All artists will be expected to retrieve their art in a timely manner when their display time has ended. Any artwork left more than 30 days in the possession of the Apex Arts Council will become the property of the Apex Arts Council to do with it what they choose.

The above named artist agrees to display his/her artwork at through the **Art Around Town Program**. A detailed list of specific pieces and additional information is contained on the reverse side.

**** Although the Apex Arts Council does not take a percentage of the sale of items, the Arts Council gladly accepts donations as a thank you which will further increase the opportunities for artists in our community****

Apex Arts Council
Visual Arts Display Agreement

Artist Name

Title	2/D or 3/D	Approximate Size	For Sale?	Price?

*****Please Note*****

All 2 dimensional works must be ready to hang. All items should be properly framed for display with the exception of gallery style wrap around canvas in which the painting extends into the wrap. Art on canvas in which the wrap has been left white should be framed. The Apex Arts Council reserves the right to refuse any piece of art that is not ready for display. Please contact your Art Around Town representative for further information on framing/ display requirements.

All 3 dimensional work should have artist information attached to the bottom of the piece in some way – including title of the piece.

Artists' Bio

Please Include a Brief Bio that describes your artistic background, any awards received as well as any other information. Bio information will be displayed with the artists' work when possible.
